

INTERESTED IN HOSTING A PRIVATE WORKSHOP?

Private Flower Events with Barn Door Blooms

Here's what you need to know to get started

Event Requirements

- Minimum 12 guests
- \$65.00/ ticket

Design Space - your house, or special venue of your choice.
We're happy to help you secure a special place. Just ask!

How does the event work?

Workshops run 1 ½ to 2 hours

We arrive 30 minutes prior to set up.

We provide all of the flowers, vessels, aprons, recipe cards,
tools (- watering cans, snips, clippers, tape.)
and buckets for organic waste.

We instruct guests on how to arrange flowers and then jump in
to help as they pick stems from the flower bar
and design their own creations.

We reserve 30 minutes at the conclusion of the event to clean up.

How do my guests sign up?

It's simple! We will set up a custom registration page for your
guests to register & pay in advance.

You can share this link with your guest list.

We send out a reminder 2 days before the date of your event.

Can I chose the flowers?

Yes! We love to work with our hosts
to create seasonal and local arrangements.

We are happy to provide options
for color palettes and in season stems.
